## Officers change at L L U K

Due to personal health problems, our Secretary, Vikkie Mundy has had to step down. Her husband, Mike has also decided to step down from the Committee at this time in order to look after Vikkie and their two small children. Im sure you will join me in thanking Vikkie in administering the LLUK in its early days and wishing her a speedy recovery.

This time consuming task has mostly been taken over pro-tem by Sandra Grainger. You can contact Sandra at 01642 282016

*(dazydolittle@hotmail.com)*

Membership matters have been taken over by  
Heather Childs, tel: 0115 940 4574 email:

*h.childs1@ntlworld.com*

And last but not least our Press Rep, Becky Hughes has taken over the accounts as our Treasurer as well as her excellent job of keeping the notes in the Fur and Feather. Any further news, Im sure Becky would love to hear from you. Tel: 01983 241471  
*(beckyhughes@hotmail.com)*

All three of the above are new to these tasks and I'm sure you will understand that it will take some time to settle in and follow in Vikkie's footsteps.

We also welcome Val Gamble to the Committee, representing our Scottish members.

## 2009 Colour Presentation—Success!!

It was great news to hear that the British Rabbit Council Governing Body had accepted the recommendation from the Breeds Standards Committee to accept the colours of Steel and Beige.

These two colours have been presented at various times over the last few years, particularly the Steel which was among the first colours to be presented and its great news that it has at last gained its recognition.

The Sallender / Iron Grey was not accepted at this, its first appearance, but I'm sure that Mel Stirr and other members will continue to campaign this lovely colour and it will appear in January 2010 at the Bradford.

If any member would like to join in these efforts to get more colours accepted for our breed, please get in touch with Jane Bramley. Presently we hope to present Sealpoint and some of the chocolate colours, including chocolate fox and otter,

chocolate self and possibly cinnamon.

Another possible set of colours are chinchilla and squirrel. Maybe you have others you would like to include? The criteria would be three rabbits each of three generations in the colour, hopefully proving progression.

Token Key Ring available from the Secretary at £1 each
